Makeup Inspiration

Overview:

The glowy light makeup look is great for everyday wear or sunset pics. This look will make you appear warm, bronzy, and radiant.

1. Start with a hydrating primer for smooth, even skin.
2. Apply a light to medium-coverage foundation and blend well with a beauty sponge.
3. Use a warm-toned eyeshadow palette (browns, golds, and soft peach shades) to create depth on the eyes.
4. Add a coat of lengthening mascara.
5. Lightly contour the cheeks and nose, then add a peach or rose-toned blush.
6. Finish with a natural nude or mauve lipstick and a touch of highlighter on the cheekbones.
